

Iowa Irish, Inc. is very excited to host the upcoming Two Rivers Feile in Des Moines, Iowa on August 7, 2010. We've worked very hard to make this dream a reality and appreciate your support!

As an organization, we are dedicated to the culture and traditions of Irish dancing, art and music. Each of these traditions has been an integral and important part of local communities, for hundreds of years, and we believe that these traditions should be treasured, passed on to our children and shared with our communities!

A big 'THANK YOU' to all of those families that have made both financial contributions and in-kind donations; this event would not be possible without your support!

We've received several questions regarding the donation forms, so I've posted the donation form and a revised wish list under the "files" tab on this message board.

Additional information can be found on our websites:
www.iowairishinc.org OR www.tworiversfeile.com

I look forward to meeting each and everyone of you at the Feile~

Safe Travels,
Kip Wisco
Two Rivers Feile Chair
